30 Day Return/Exchange Policy

We stand behind the quality of all of our products. The original purchaser may return any item in its original condition and packaging for any reason within 30 days of the original ship date. We will gladly refund the original payment method covering the value of your returned items. We do not refund shipping charges on exchanges or returns. We suggest you get a tracking number when you ship the item back.

If you want to return an item, we've made it so easy that you don't even need to call us.

Just follow these instructions:

1. Complete the return/purchase sections below.
2. Include this form with the items that you are returning.
3. Please include a copy of your original order.
